3. <b>Cart</b>	_____	Page 19
4. <b>Checkout</b>	_____	Page 30

**Login**

Project Name:

**Test Case ID:** Login \_01

**Test Designed by:** Rodrigo Gonzalez Sibrins

**Test Priority:** High

**Test Designed date:** 12/05/2021

**Module Name:** Login screen

**Test Executed by:** Rodrigo Gonzalez Sibrins

**Test Title:** Verify login with valid username and valid password.

**Test Execution date:** 12/05/2021

**Description:** Test the Login screen

**Browsers:** Chrome 90 / Firefox 85 / Edge 88 / Opera 74

**OS:** Windows 10

**Pre-conditions:** User has a valid username and valid password

**Dependencies:** -

**Test case positive/negative?:** positive

Step	Test Steps	Test Data	Expected Result	Actual Result	Status (Pass/Fail)	Automated? (Yes/No)
1	Provide valid username	*Username: standard_user	User should be able to	User is navigated to the products	Pass	Yes

2	Provide valid password	* <u>Password</u> : secret_sauce	login.	page with a successful login.		
3	Click on Login					
Post-conditions: User is validated with database and succesfully login.						

Project Name:

Test Case ID: Login \_02

Test Designed by: Rodrigo Gonzalez Sibrins

Test Priority: High

Test Designed date: 12/05/2021

Module Name: Login screen

Test Executed by: Rodrigo Gonzalez Sibrins

Test Title: Verify login with invalid username and valid password.

Test Execution date: 12/05/2021

Description: Test the Login screen

Browsers: Chrome 90 / Firefox 85 / Edge 88 / Opera 74

OS: Windows 10

Pre-conditions: User has an invalid username and valid password

Dependencies: -

Test case positive/negative?: negative

Step	Test Steps	Test Data	Expected Result	Actual Result	Status (Pass/Fail)	Automated? (Yes/No)
1	Provide invalid username	*Username: invaliduser	User shouldn't be	User can't login and get the	Pass	Yes

2	Provide valid password	* <u>Password</u> : secret_sauce	able to login and should get an error alert.	message: “Username and password do not match any user in this service”.		
3	Click on Login					
Post-conditions: -						

**Screenshot:**

The screenshot shows a login interface with two input fields. The first field contains the text 'invaliduser' and has a red 'X' icon to its right. The second field contains a series of dots and also has a red 'X' icon to its right. Below these fields is a red rectangular box containing the text 'Epic sadface: Username and password do not match any user in this service'. At the bottom of the form is a red rectangular button with the text 'LOGIN' in white capital letters.
